RE: Modification of the Facility Disposition RSOP

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed your letter dated February 19, 2004 (received on Feb 25, 2004) and the attached modification to the Facility Disposition RSOP. This modification is mainly to clarify the language regarding the removal of Old Process Waste Lines and align this remediation process with that in RFCA. We agree with this minor modification and have discussed the appropriate language with Kim Myers and Steve Nesta of KH.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruchek at (303) 692-3328.

Sincerely,

Steven H. Gunderson

RFCA Project Coordinator
